15th June 2016

Dear Parents and Carers,

We have a series of exciting activities planned for the last half term of Year 5 and we hope you will be able to get involved too.

Salad Day - Wednesday 29th June - Afternoon

As a year group we will be creating delicious salads and baking flatbreads which we will all share together. This activity develops links with both the Science and Design & Technology curricula (but mainly should taste great). In order to cover the cost of the ingredients, we would appreciate a **contribution of £2 per child** to be sent in cash to your child's teacher. We would also really appreciate adult helpers and you can indicate your availability on the attached reply slip.

Trip to Oldhay Brook - Friday 1st July - Morning

In order to get first-hand experience of a local river, we will be taking Year 5 to nearby Oldhay Brook. We will walk the short distance of approximately 1km from school and the children will have remote supervision from Dore staff in their adult led groups as they spend the morning fully exploring this section of the waterway. Children will need a drink and sensible outdoor clothes; those with wellingtons may find a supervised opportunity to enter the brook to carry out prepared activities. Again, we would appreciate adult helpers and you can indicate your availability on the attached reply slip.

Relationship and Sex Education - Tuesday 5th July at 2.15pm

The culmination of the children's work on Relationship and Sex Education will be an artistic interpretation of their learning, to be presented to parents and carers **2.30-3.15pm** on Thursday 5th July. We hope you can make it and in order to give us an idea of the number of people planning to attend, please can you indicate your intention on the reply slip.

We look forward to seeing you at one, two or all of these exciting events.

Mrs Granville and Mr Hanks
