16th October, 2015

ONE WORLD WEEK CELEBRATION

Dear Parents,

This year our 'One World Week' will take place from 19th-23rd October. This is a Geography focus week which aims to raise the children's awareness of their connections with the wider world and to see themselves as 'Global citizens'. During the week the children will begin their Passport to the World, which will focus on their class country. They will also learn about a cultural aspect linked to this. A further focus for this week will be the UN's new Global Goals for Sustainable Development, which aim to achieve 3 extraordinary things in the next 15 years:

'End extreme poverty. Fight inequality & injustice. Fix climate change.'

THE GLOBAL GOALS
For Sustainable Development

On Wednesday 4th November, from 6.30 - 8 pm, we will be holding a One World Week Celebration Evening to showcase the children's work. There will also be an opportunity for anyone to perform, so if you know a French song, a Chinese dance, or anything else that you'd like to share, please do come along!

We will be holding an amazing 'One World bring and share buffet'. We request that you bring a dish with you from your country of choice, allowing us to sample a range of cultures. This can be anything from pizza to curry, from Baklava to doughnuts! Please bring your dishes with you on the evening (nothing that needs reheating), along with a slip of paper that explains what the dish is and where it originates.

The evening will commence with a child-friendly quiz, made by children for children! After eating there will be an opportunity for people to perform. Any performers need to let us know before the evening so we can get any equipment ready. Please arrive from 6.15pm as the buffet will start at 6.30pm. Children may wear international dress if they wish to - school uniform is not necessary.

If you are interested, please fill in the reply slip by Friday 23rd October.

Yours sincerely,

Richard France Kathryn Davis Julie Davison
