ROAD SAFETY TEAM

Dear Parents/Carers

We are pleased to say that we have gathered several volunteers and keen supporters who have agreed to work with you all to help make the road to school safer for our kids and less stressful for us, the parents.

The Road Safety week is on between 23 and 29 November. During that time we would like to engage with the school children, you and the wider local community. Please look out for more communication relating to the Road Safety Week.

Above all, we are here to work with the parents, the community and the school to improve the safety of the pick-up experience. We are all volunteers and will need more help to make the improvements possible. So, if you think you can help, or would like to raise any issues relating to the safety of the road environment around the school please contact Lynnette Glossop (Head teacher)

The Dore Primary Road Safety Team
