

Autumn 2015 Newsletter

Wishing all the families of Dore Primary School a very happy, festive and peaceful Christmas.

The second half of the Autumn term has been a fabulously exciting one with lots of exciting learning for the children both in and out of the classroom.

If you haven't yet done so check out the learning journeys and the news page on the school website to see what everyone has been up to.

There have been so many highlights this half term not least of which has been the lead up to Christmas. I've been amazed at the energy and enthusiasm of everyone over the last two weeks in particular. Having had a number of emails from members of the public about our children when they are out and about, it's fair to say Dore Primary School is a very special place and I feel very lucky to be part of it.

See you all refreshed and rested on Monday 4th January

Staffing

We are saying goodbye to Mrs Robinson who is leaving us to spend more time with her family.

We are welcoming Mr Shaw who will be joining the year 6 from January and then teaching Mrs Guiton's class as she starts her maternity

Thanks to the sterling efforts of parents and notably the DPA - the outdoor classroom is now in situ.

The children at Dore Primary School continue to benefit from the enormous generosity of the Community. Thank you from us all.

SCHOOL CHANGE TEAM

Thanks to James Hope-Gill and Laura Bruce (governors) who have gathered the thoughts of our school change team. There is now a team of staff and parent volunteers who are looking at how we communicate with parents so that you get all the vital information you need.

Please keep an eye on the website for the most up to date calendar and also letters which have been emailed home.

KEEPING OUR CHILDREN SAFE

Thank you to everyone who continue to keep our children safe at Dore Primary school.

Road safety week, supported by parent volunteers and children was very effective in highlighting this as an on going issue, which need helps from all members of the school community.

Whilst there is a recognition that everyone leads busy lives and that the school run is a busy time please refrain from parking illegally on zig zags at any of the entrances to school.

If you are collecting children from **Dore Kids Club** parents/carers should enter and exit from the link corridor. Parents or children should not come back into the main school building after picking up.

If your child has forgotten something from class this will need to be collected the following day via the school office.

Thank you for doing your bit to keep all our children safe.
