

12th September 2016

Dear Parent/Carer,

Friday 23rd September JEANS FOR GENES DAY

The 23rd September is officially **JEANS FOR GENES** Day.

On this day, instead of trousers or skirts, children at Dore Primary may come to school in jeans (or non-uniform alternative). This is in exchange for a £1 donation to JEANS FOR GENES.

The charity JEANS FOR GENES raise money to help improve the lives of children around the country who suffer from illnesses called genetic disorders. There are over 6,000 different genetic disorders, e.g Brittle Bone Disease, Sickle Cell Anaemia or Cystic Fibrosis. JEANS FOR GENES helps to provide the care which children with genetic disorders need and to raise awareness of these conditions.

Find out more at www.jeansforgenes.org

Yours sincerely

Martha Condliffe
