Cooking Soup!

23 September 2016 and 14 October 2016, 9.15am until 11.30am

Dear Parents / Carers,

This half term Year 5 are basing a lot of their work on the production of soup including writing recipes, making persuasive adverts, product design, costing and health issues. This encompasses many aspects of the Design and Technology, Maths, ICT, PSHE and English curriculum.

Children will write their own recipes for soup, some of which we will make and try. After evaluating the success of the recipes the children will re-write them. Some of these recipes will be made and will be the final product.

In order to cover the cost of the ingredients, we would appreciate a **contribution of £1 per child** to be sent in cash to your child's teacher. We would also really appreciate adult helpers to support groups of children to prepare the vegetables (washing and chopping), following the recipes and clearing up afterwards.

As the children will taste the final product, we would be grateful if you could return the attached slip to your child's class teacher, detailing any food allergies and, if you are able, giving any offers of help.

Many thanks,

Mr Hanks, Mr Mills and the Y5 Team
