Dear Parents, Carers and Staff

Following the departure of Steve Thomas and Lisa Bradshaw from the governing body we are delighted to announce that Mrs Debbie Miller has been elected as the new Chair of governors at Dore Primary School.

Debbie has been very involved with the school, first on the School Change Team then as a school governor and Chair of the Curriculum Committee. She runs a business with her husband from home and a mum of two children. She will be supported by three vice-chairs; Ms Jackie Mills, Ms Heather Prosser and Mr James Kenny-Levick. All four are from the parent body and still have children at the school.

The three vice-chairs will lead on the portfolios of finance, curriculum and safeguarding supported by the other members of the governing body continuing to work with Lynnette Glossop and her senior leadership team at the school. We will now meet twice a term as a full governing body to promote efficient working and to assist the teaching staff with the challenges of running a school we are all proud of.

We would like to thank Steve and Lisa for all their hard work over the last eight years which has contributed to keeping the school a safe and happy environment where children can learn and succeed.

During the next year we will be looking for new governors especially those who feel they have skills bought from their own life and work experience that will contribute to the governing body. The Governors acknowledge that the school is a changing community is keen to be representative of all families and children, we welcome all expressions of interest that increase the diversity of the governing body. If you want to know more about the role of a DPS Governor please email governor@dore.sheffield.sch.uk

Many thanks for your continuing support to the school and staff.

Kind regards

The Governing Body
