Year 5 – Photo Request

Dear parents and carers,

February 7th 2017 is **Safer Internet Day**. Dore Primary is participating alongside hundreds of other schools across the UK.

We will be learning about how to use the internet safely and positively. The focus this year is to understand how images can safely be shared and used online.

To help with this could your child **please bring in a recent photo of themselves**. These won't be shared online, just used to explore the impression they might give.

Later in the year, in science, we will be looking at life cycles of animals including humans. Please **bring in a picture of you as a baby**. Do not show anyone in Year 5, we will be using them as a quiz to match people up!

Finally, as part of the children's GUS topic 'Going for Goals', the children will need **a picture of someone they admire**. They could also bring any books or other information about the role model that inspires them.

The pictures should be in school by February 7th please.

Please do not use your most treasured photos, copies will be fine.

Thank you for your support.

Mr Hanks and Mr Mills

Check list:

- Baby photo
- Recent photo
- Picture of someone they admire
- (Optional) any books or information about their hero
- Names on the back
- Hidden from others!
