21<sup>st</sup> March 2017

Dear Parents,

Below is an outline of the Sex and Relationships Education (SRE) that takes place within Science and Growing Up Skills in Y4.

- Relationships – friendships
- Male/female
- Egg/seed
- Body systems, including Reproduction – body parts
- Chicken/frog life cycles
- Conception – development of baby – 9 months (Lennart Nilsson photography/DVD)

The Year 3 and Year 4 children will be split up on this day and as part of the work the Year 4 children will watch a DVD. This will be followed up through discussion and possibly some written work. This work will begin next week. We realise that you may wish to discuss this work with your child.

Yours sincerely,

The Year 3/ Year 4 Team
