15<sup>th</sup> November 2017

Dear Parent/Carer

We are pleased to launch our new online payment system, sQuid.

The Local Authority have chosen sQuid as our new provider. Other schools have found sQuid incredibly user friendly, with a downloadable app which can be used from any type of phone.

This will be replacing the Parentpay system from Monday 20<sup>th</sup> November. In order that we can transfer balances across from Parentpay to sQuid please do not make any further payments this week, apart from school dinners. Parentpay will no longer be available from Saturday 18<sup>th</sup> November.

Your child will be bringing home a personalised registration letter which will provide you with instructions on how to register a sQuid account and a unique 16 digit number and 3 digit security code.

Please find attached a guide on how to register a sQuid account, this will also be on the website. If you encounter any problems in registering please contact sQuid customer support at <https://www.squidcard.com>, but feel reassured that all children will receive a meal that they have ordered.

We trust that you will find this system faster and a more convenient way to manage your online payments.

Kind regards

School Admin Team
