Dear Parents / Carers

As part of our **music programme** at Dore Primary School we are hoping to inspire and encourage children to enjoy listening to music, both recorded and performed and to encourage more of our children to learn to play an instrument or sing.

Hearing and seeing music performed live is a really valuable part of that and that's where you come in.

We are on the lookout for musical parents, grandparents or carers who would be interested in coming in to school to share their music. This could be as a short performance for the children for example in a class or in assembly, or perhaps as a workshop with children to learn more about your instrument, about being a musician and how you learnt. You may be able to play an unusual instrument or could share songs and music from different cultures and traditions. The main thing is that we would like to increase the opportunities for our children to experience live music.

Any suggestions or ideas for ways you would like to share your music in school would be gratefully received.

If you are interested in getting involved please contact Caroline Simpson or Rebecca Hague via email csimpson@dore.sheffield.sch.uk or rhague@dore.sheffield.sch.uk

Alternatively, complete the slip below and hand it into your child's teacher who will pass it on to a member of the music team who will get in touch with you.

Many thanks for your interest.

Caroline Simpson
