One World Week – What's the buzz?

Dear parents and carers,

This year our **One World Week** will be held from **15th – 19th October**. This is a Geography focus week which aims to raise the children's awareness of their connections with the wider world and to see themselves as **global citizens**. During the week the children will learn about their class country, the Global Goals and how these link with the UN Convention on the Rights of the Child. As we go through the re-application to be a UNICEF Rights Respecting School, we have been learning a lot about children's rights. Look out for our new rights mascot which will be appearing around school in October.

On **Friday 12th October** we will be having an assembly to find out more about Kenya Apis Enterprise Programme, a branch of Christian Aid who work with Kenyan beekeepers to increase profitability. The beekeeping sector is thought to have the potential to significantly impact the livelihoods of poor and marginalised communities in Kenya. We will be holding a non-uniform day to raise money that will directly go to the programme. **We invite your children to dress up as bees or in bee-related outfits and to bring a suggested donation of £1.** 12th October is also the end of Kindness week and what a nice way to end the week - with an act of kindness to help those who are less fortunate than us.

Best wishes,

Mrs Davis

We respect the UN Convention on the Rights of the Child.
Article 28: We have the right to a good quality education.
