

One World Week: Week beginning the 14th October 2019

To encourage our children to be global citizens, every class in the school has a class country. Italy is the country for our class.

During One World Week, Y3GD will be having a TASC (Thinking Actively in a Social Context) experience.

The Brief: To produce a new atlas page all about Italy.

Children will make this atlas page in school. However, we are asking you to do some research (not the finished product) at home.

We have included some ideas of activities that you could complete below (just choose two or three). Or you could be creative and present your learning in a different way.

1. Draw an outline of Europe and mark on Italy.
2. Clearly label the capital city (correct spelling).
3. Draw the flag.
4. Find out about what is produced (the products) in your country (e.g. copper, wheat, wine). Can you find or draw pictures?
5. Which language is spoken? Can you find out any phrases?
6. Find out about the climate/weather.
7. Which animals can be found there? Can you find or draw pictures?
8. Are there any important geographical features e.g. rivers, mountains?
9. Any other information which interests you.

You might like to collect your research together in a plastic wallet or envelope. Please label clearly with your name.

Bring to school by FRIDAY 18th OCTOBER 2019.

Many thanks for your support,
The Year 3 Team
