## GENERAL CONSENT FORM

**NAME OF PUPIL** -----

I understand that there will be activities, e.g. sporting events, swimming in Y4, nature visits, local history or community etc., which will take my child off school premises in the neighbourhood of the school and within Sheffield - they may walk or go in a coach, or by public transport.

Written parental consent will not be requested from you for the majority of off-site activities offered by the school, as such activities are part of the school's curriculum and usually take place during the normal school day.

The school will send you written information about any residential trip or more complex visit or activity before it takes place and parental consent for these will be sought on an individual basis.

A voluntary contribution made on Parent Pay will be sought for any trip which carries a cost. The school policy requires 90% class voluntary contributions for a visit to go ahead.

I agree that my child (named above) has consent to take part in these activities as indicated above without requiring further information. I appreciate that sometimes there will be letters or emails if necessary for particular details or requesting payment or parent volunteers.
