Dear Parents,

We will be starting a new Maths Volunteers scheme in school from September to help children who find maths challenging. The scheme will run for 10 weeks at a time, with volunteers spending 20-30 minutes a week on a one-to-one basis with a child, focusing on basic maths skills.

We are looking for volunteers who are passionate about maths and wish to share this passion with our children. If you are interested we ask that you:

- Are able to commit to at least 10 weeks.
- Can come in regularly on a weekly basis during school term times.
- Agree to a Criminal Records Bureau check.
- Attend a half day training in school.
- Provide a character referee.

We look forward to hearing from you, please send an e-mail to the school enquiries e-mail address if you are interested.

Yours sincerely

Kathryn Davis and Andy Goodwin
