Dear Parent or carer,

I do hope that your child has now shared with you the GREAT news that Dore Primary School was judged as overall effectiveness: Outstanding school in the very recent Ofsted Inspection 25th, 26th March 2015. Report attached.

Staff and governors were very keen for the children to hear the news first and to share it with you, as they were such wonderful ambassadors for TEAM Dore, and along with the staff and governors, **all played their part** in SO impressing the whole inspection team.

Our Early Years department was also very close to Outstanding and you will see from the report how many Outstanding features they share too; just a little more to work on and improve.

So, please celebrate with your children as they make TEAM Dore and as I said before, they tell it as it is, and MANY of them showed their work and shared their love of school and wonderful enthusiasm for learning with the inspectors whilst also demonstrating what a caring whole school ethos we have.

I am sure you will want to join me in thanking all the staff and governors for their expertise and very hard work which has been rewarded in such an emphatic way.

You will receive a hard copy tomorrow if you do not already have one and there will also be a link to the report from the website when it goes live on Friday 24th April.

Warm regards
