Cooking Soup!

Dear Parents / Carers,

Early next month, for a few days, Y5 will be basing their work around the production of soup. This will not only involve following recipes to make the soup, but will also incorporate health issues, product design, costing and advertising to encompass many aspects of the Design & Technology, Maths, ICT and Literacy curriculum. We plan to follow one recipe but also to make and taste a soup the children have designed themselves, writing a recipe and instructions for us to follow.

The making of the soup will take part on the morning of **Tuesday 8th December** and we would be grateful for any offers of help with this.

Y5 Egypt (session 1) will be cooking at approximately 9:00 – 10:30 a.m. and Y5 India (session 2) will be cooking after play at approximately 10:45 – 12:00 p.m.

The offer of help will involve supporting groups to prepare the vegetables (washing and chopping), following the recipes and clearing up afterwards.

As the children will be tasting the final product, we would be grateful if you could return the attached slip to your child's class teacher, detailing any food allergies and, if you are able, giving any offers of help.

Many thanks,

Y5 Team
