

Y5 Visit to the Leicester Space Centre
Wednesday 7th October 2015
Leaving school at 8.15am - returning around 4.15/4.30pm

This is to remind you that we are off on our fabulous trip to Leicester on Wednesday so here are some notes to help you to be prepared.

You need to be in your classroom for 8.00am so we can call the register and make sure everyone has everything before we leave.

You will need to wear school uniform and might want to bring a coat - these are stored when we arrive so you do not have to carry them around.

You need to bring your packed lunch and a bag to put it in, these are also stored until your group has lunch.

Remember any medication you might need during the day eg asthma inhalers, travel sickness tablets & their instructions.

If you would like to bring your camera you may but you will be responsible for keeping it safe. No mobile phones or electronic devices should be brought.
