

School Attendance Matters

**75% of pupils who attend above 95%
achieve 5 A* to C GCSEs**

But....

90% = missing $\frac{1}{2}$ day a week
= missing nearly 100 lessons per year
= missing over 1 year of education in a school life.

80% = missing 1 day a week
= missing nearly 200 lessons per year
= missing over 2 years of education in a school life

**35% of pupils who attend between 80% and
90% achieve 5 A* to C GCSEs**

50% = missing $2\frac{1}{2}$ days a week
= missing nearly 500 lessons per year
= missing over 5 years of education in a school life

**3% of pupils who attend less than 50%
achieve 5 A* to C GCSEs**

Is your child missing out?
